OFFICE BASED PEDIATRICS
August 19-20, 2022
Sawyer Hayes Community Center, E.P. “Tom” Sawyer State Park, Louisville, Ky

2022 PROGRAM AGENDA (Casual dress)

TWO FRIDAY SESSIONS
To Screen or Not to Screen...that is the Jeopardy Question A “Jeopardy” Game Format Lunch & Learn, presented by the KY K.I.N.D. program (Kids’ Interface and Network for Healthy Development).

The Kentucky Department for Public Health (KDPH) was recently awarded a HHS grant to develop a statewide Pediatric Mental Health Care Access Program (PMHCAP). Officially, the program name in the Commonwealth is Kentucky K.I.N.D. (Kids’ Interface and Network for Healthy Development). The program’s vision is to increase access to pediatric mental health care in Kentucky.

This session is featured as program kickoff event, a fun and engaging way to begin to identify and address mental and behavioral health issues with children. Using the Jeopardy game format, content will focus on screening in the Primary Care Office. Jeopardy categories and corresponding lecture slides will include:

Following the Lunch & Learn, the Friday Session of the KYAAP Annual Meeting “Office Based Pediatrics” will be taking a deep dive into Mental Health. The overall focus this year will be “Caring for Children on the Autism Spectrum-Action Steps and Roadmap for Pediatricians.” This session should be very valuable for all of us who care for these children. Topics on the agenda will be “Miles to Go Before I Sleep: Diagnosing Autism Spectrum Disorder” by Dr. Marisa Toomey; “Helping Families Navigate Autism Spectrum Disorder in Kentucky” presented by Dr. Myra Beth Bundy; “Part 1: Medical Comorbidities in Autism Spectrum Disorders” — presented by Dr. Greg Barnes and “Part 2: Managing Explosive Behavior” by Dr. Virginia Barbosa. Our final topic of the afternoon will be a new lecture sponsored by the Kelly Family Foundation and the LifeWorks Center. The topic will be “The Transition to Adulthood and Independent Living: When the School Bus Stops Coming” presented by Dr. Mary Lloyd Moore and David Wheeler, MSW.

Please join us for this very practical and educational session.

SAWYER HAYES COMMUNITY CENTER
on the Grounds of “Tom” Sawyer State Park

The Sawyer Hayes Community Center in Louisville, Kentucky offers a beautiful setting within E.P. “Tom” Sawyer State Park in Louisville Kentucky. This venue venue boasts over 8,750 square feet of well-appointed event space. The space includes a charming wood pergola on its sprawling lawn. Inside, the community center’s spacious Woodlands Room boasts wooden beams, an organic color palette, and floor-to-ceiling windows that allow for great natural light and stunning views. With a modern yet rustic design and a warm and inviting ambiance, the Sawyer Hayes Community Center offers beautiful and unique backdrop for your meeting event.

just 15 minutes from downtown Louisville!

Park Amenities/Activities

The Sawyer Hayes Community Center is nestled in an arboretum area of E.P. “Tom” Sawyer and integrates gorgeous views of the surrounding natural scenery. Louisville’s only state park, E.P. “Tom” Sawyer, is a hub for recreational activities and a charming setting for any occasion. located on Louisville’s east end, the park features both indoor and outdoor basketball courts, an outdoor pool, picnic tables, pavilion (shelter) rentals, team-building, an archery range, pickleball, softball, geocaching, outdoor volleyball, an orienteering course, walking trails and tennis.

PAID
PERMIT #976
LOUISVILLE, KY

The program's vision is to increase access to pediatric mental health care in Kentucky.

Championed by the KY K.I.N.D. program

the program name in the Commonwealth is Kentucky K.I.N.D. (Kids’ Interface and Network for Healthy Development).
FACULTY AND COURSE OBJECTIVES

The goal of this activity is to educate pediatrics and to discuss the best practices in the care of the pediatric patient.

To Screen or Not To Screen…that is the Jeopardy question. Pat Purcell, MD, FAAP, MBA

Learning Objectives:
- Identify the basic components of a genital exam and STI evaluation for CSA
- Understand the role of the Child's advocate
- Acknowledge the importance of mental health resources for children that have experienced CSA

Exploring the Realms of LGBTQ Health
British Rad, MD

Learning Objectives:
- Define terms and outline elements of LGBTQ-friendly health care delivery
- Describe protective factors and health risks affecting LGBTQ patients
- Review appropriate health screenings in the LGBTQ population

Part 1: Pediatric Dermatology, Acne
Patricia Todd, MD

Learning Objectives:
- Review pathophysiology of acne for better treatment modalities
- Discuss clinical presentations of acne with emphasis on scalp of color
- Discuss optimal treatment options for varying presentations of acne
- Discuss new treatments available for acne
- Discuss concerns about use of inflammation for acne (If time permits will cover this objective)

Part 2: Pediatric Dermatology, Rash
Patricia Todd, MD

Learning Objectives:
- Review various presentations of viral rashes
- Review pathophysiology, presentation and treatment of erythema multiforme and urticaria multiforme
- Discuss diagnosis and management of small vessel vasculitis and Henoch-Schonlein purpura

Impact and Application of 2021 CPT/EM Coding Changes for the Outpatient Pediatrician
Sawhney, MD, FAAP

Learning Objectives:
- Identify the correct CPT guidelines for outpatient E/M coding based on the volume of care
- Understand the correct CPT guidelines for outpatient coding based on the amount of care
- Effectively utilize prolonged service codes for complex patients
- Apply coding changes to common patient encounters
- Approach billing and coding with more efficiency and confidence in the office setting

Commen Pediatric Sports Injuries and When to Refer
Jennifer Bray, MD

Learning Objectives:
- Understand etiology of common sports injuries
- Recognize and evaluate differences between children and adult injuries
- Learn physical exam skills for sports-related pain
- Learn basic first-line non-operative treatment options
- Understand when to refer for orthopedic evaluation or advanced imaging

MEETING CHAIR
Stephen Church, MD, FAAP
Chair, Conference Program
